**COMPANY WORD USED IN  
ECONOMY**

**PASSED FROM ARABIC.**

**WHICH WAS BROUGHT GOD  
IN THE RELIGIOUS CONCEPT**

**IT IS A COMMON BELIEVING  
BELIEF WITH GODS.**

# **ŞİRK İNANCI**

Although he believes in Allah,

\* In the presence of Allah, in his adjectives and in acts of spouse, partner, equivalent and so on and that

\* Bringing helpless features to God

It is believing in Allah.

Page 3

## **TEVHID BELIEF:**

\* Another god beside God by bringing

\* His partner, wife in the adjective-verbs of God and so on,

\* God's greatest and most perfect being that there are no missing features is believing.

*"La ilaha illallah"* Word-i Tawheed,

It is the first step of entering Islam.

When we look at the history of the Prophets,

Prophets have always repeated this holy message.

And people break it and think shirk again

100,000s to fix and restore the prophet was sent.

*" - No prophet before you*

*We did not send it to him*

*let's not be: "The truth is that besides me*

*there is no god. So worship me*

*Learn. " (Enbiya / 25)*

*"-Pharaoh, before him and six the towns brought all the mistake (shirk*

*and revolt) they came to work. "*

*(About / 9)*

We think that people who do not enter the religion of Allah

since they deny. These people are also  
to Allah

people who do not believe in an  
atheist attitude

We can doors.

But if we call these people the  
polytheists,

deny Allah that you brought other  
gods with you

we cannot see what they do not.

***"They (polytheists) are those who  
say,***

***Another god with God***

***They know. " (Hicr / 96)***

---

Page 6

If we pay attention, in the messages  
of the Prophets,

believe in your existence instead of  
the message of Allah,

we will see that there is a message that do not bring gods.

For example; **Names and Semud tribes to** their prophets

While protesting, the angel prophet instead of God

a society that tells him to send to Allah and

We can understand that he believes in his angels.

*“The Prophets said to them: coming from behind and coming from Allah do not serve anyone else, they say time, "If our Lord wished, of course angels would bring it down. That's why we are with you we deny the things sent " they said. " (Fussilat / 14)*

**The tribe of Noah;**

***“Thereupon, the tribe of his tribe***

***the notables said: "This is just like being a human like you***

***is nothing else. Superior to you and wants to dominate. If Allah if he wanted to (send the prophet)***

***surely angels would send.***

***We are one of our past ancestors***

***we didn't hear anything. ”***

***(Candle of / 24)***

# **MECHANICAL CUSHIONS**

## **(Paganism):**

Contrary to what is believed, the Meccan polytheists they believed in its existence.

Because to every society

Because the Prophets came, that society, the divine religion even if he broke it

They were affected.

Here, the Prophet Abraham brought to Mecca

The Islamic Religion (Hanif Religion) had come. centuries

The religion of Tawhid, brought by Prophet Abraham

it was corrupt. It is a fact that nothing  
There are 100% intact remains.

---

Page 9

That the Mecca polytheists believed in Allah  
evidence:

**1- They called the** Kaaba, Beytullah (House of Allah).

Those who say Allah's Home do not say that there is no God.

**2- Quran before coming**

Hz. The name of Muhammad's (saas) father

It was Abdullah (servant of Allah). Allah in this society the concept is not foreign,

The names use the name Allah.

**3-** Before the Quran and the Prophethood  
Kaaba referee of the Prophet Muhammad (saas)  
on the issue of Hecerul Esved in Kaaba  
Mekkelı to replace it when it falls  
the polytheists are fighting that to put the stone there  
it was a great honor.

**4-** They circumambulate the Kaaba, make Sa'y,  
being circumcised, taking ablution

They were customs from the religion of Hanif.

---

Page 11

Examples from verses:

**5** - Mecca polytheists worshiped idols.

But their worship denies the existence of God it didn't mean. They are idols, to Allah

They worshiped shirk to bring them closer.

*Zümer sura 3 “..to them (idols) only to God*

*Serve so that they can get closer*

*We're now .. " They were mean.*

---

Page 12

**6- The** polytheists are not  
atheists, but the universe, the  
human  
they saw Allah as the creator.  
*Zuhruf / 87- "If you give them (to  
the polytheists)  
ask who created you  
Of course: They say "GOD". So how  
are they translated from right? "*  
*Ankebut / 61. "Thank God  
to them (to the polytheists): "The  
heavens and the earth  
the creator, under the command of  
the sun and the bear  
who is holding it? "  
They say "GOD". So how (from the  
right)  
are they turned and rotated? "*

*Includes wax / 84. 85. “(Messenger, to the polytheists)*

*that: if you know (tell me, let's see), this the world and who owns it?*

*They belong to ALLAH. "So you Do you ever think about it! Also"*

*Lokman / 25. “And let it be to them / polytheists), "Who is the heavens and the earth created it? "*

*They say "GOD ...". Say: (So) praise too*

*it is for Allah alone, but their most don't know. ”*

**7 - The** polytheists believe in the existence of God, sacrifice, he gives charity but also sacrifices for his idols

they were taking apart and running shirk. The following sentences are to Allah

There can be no sentence for people who do not believe.

*Enam / 136. “With crops created by Allah*

*LEAVE SHARES FROM THE ANIMALS*

*they think, this is to Allah, this is also*

*They said to our partners (our idols).*

*It does not reach Allah, which is reserved for its partners,*

*but to his partners*

*Reach! What are they making bad judgments? ”*

**8- The** polytheists are wrong, even if they have a bad *understanding of destiny.*

They believe in the fate of Allah and put it in idols,

They said they worshiped for.

***Zuhruf-20. "And they said: If the WELD WISHED***

*we did not worship them. Their one in this regard*

*they have no information. They are just lies*

*they say. "*

***Nahl / 35. " Co-runners said: "GOD***

*Neither we nor our fathers asked him*

*we worshiped someone else. No without his order*

*we would not haram anything. "The ones before them*

*they did so. On the prophets*

*Does anything else fall apart from the clear statement? "*

---

**9- When** they drink Allah, they believe that they believe in Allah. showing .

*Enam / 109. "If a miracle comes to them, strongly that they will surely believe*

*They drank AND WAS ALLAH .. Say: Miracles only*

*It is from Allah. But when a miracle comes Are you aware that they will not believe? "*

**10** -Although wrongly to the angels of Allah

They believed.

*Zukhruf-19. " They (polytheists) are*

*They also counted ANGELS with their servants.*

*I wonder if the creation of angels*

*They saw? "*

**11-** He believes in God and the concept of prophethood, but in the excuses of Allah, angel, not human prophet

Atheists to tell the prophet to send indicates that they are not.

*Fussilat / 14. «The Prophets said to them:*

*Coming in front of them and behind them*

*Do not serve anyone but Allah, when they said, "OUR LORD WISHED*

*ANGELS DOWNLOAD IT Her to deny things we sent you with "We said."*

**THE FIRST REGISTER  
FLAG, THE WORST BEING  
EVERYTHING THAT WAS  
HAPPENED IN ALLAH.**

**1- When** Iblis objected to God, he and his people

He believes that the Creator is God  
and is an atheist

it is not in motion. The same  
expression in the verses above

There were also pagan pagans.

It is undeniable that God created the  
universe.

cunning societies because they are so  
clear and distinct

We do not deny that Allah created  
people, nature,

They bring Gods with God.

***Sad / 76- «Demon: I am better than  
him!***

***YOU CREATE ME FROM FIRE, I  
(Adam)***

***You created from mud, she said. »***

**2-** Satan prays Allah by saying "My  
Lord" and demands life.

Because it is God who gives life  
He is aware.

***Sad / 79- «Iblis: O my Lord! In that  
case  
until the day they are resurrected  
said deadline. »***

**3-** Satan swears by mentioning the  
name of Allah and  
He is aware of the mightiness of God.

***Sad / 82- «Demon: YOUR  
ABSOLUTE  
ANDOLSIN TO YOUR POWER  
I will surely dismiss them all. »***

---

Page 20

**4-** Satan, that the right way belongs to  
Allah  
vows to mislead people this way  
it cannot be an atheist attitude that  
denies God.

*Limbo / 16. «The demon said:  
If so  
in spite of your  
underestimation, I drink,  
I am YOUR to deflect them too  
On the RIGHT ROAD  
I'll sit »*

---

Page 21

**5-** Satan, he is afraid of Allah, his  
punishment is severe  
He says he is.

*Anfal / 48. «Behold the devil  
showed what he did well: Today  
people who will win you  
There is no doubt, I am yours  
“Your assistant,” he said. But the  
two armies  
When he saw each other, he turned  
around and said: I*

*I am far from you, I am yours  
I see what you cannot see (angels),  
I FEAR FROM GOD;  
ALLAH'S SIGNS ARE VIOLENT,  
SAID. »*

---

Page 22

About Satan, some people **used to be angels later** says it **was a devil** . This statement is false. To this delusion since the demon first became the head of the angels are deducted This is true. Because Allah, demon, very knowledgeable and very because he is a worshiper, he rewards him as an administrator to the angels who have increased their rank It has been spent.

This does not mean that he is an angel. Because there is no Will of the angels, a sense of evil in it you are a demon because there is no property to rebel against Allah. The rebellion against God, the logic that he was not an angel Can grasp.

**Also the head of the sheep (shepherd) is like a human .**

---

Page 23

In addition, angels were created in the light and the demon fire created (*SAD duration 76*) is their lineage and race are different. Satan is one of the jinn as race.

***“KEHF / 50 - IBLI was FROM  
THE GINES  
RAHMAN / 15. ” SELLER  
CREATED FROM FIRE ”***

and the will of the jinn  
better or worse,  
There are also those who obey  
and rebel.

Page 24

So the demon says that God  
exists,  
believes that it creates nature,  
itself and people  
and does not deny Allah like an  
atheist.

The problem is, just as in history  
that denies the Prophets,

like the nations, the Mecca  
polytheists,  
ŞİRK is running. So what is Satan,  
some of Allah  
brought it to you, deified it, fell  
into a company?  
Satan is deification of **his own  
ego , arrogant and**  
He does not ignore the existence  
of Allah,  
spouses. God is not the Main  
Adam, greatness  
belief in shirk has been formed.  
***Sad / 74- «Only Iblis did not  
prostrate. HE  
SIZED SIZE . »***

**Allah's "Earth (man), Fire (jin)**

**is superior "of the word, the decree of FALSE**

**that**

**your own opinion (fire is superior to earth)**

**argued that it was true. (Sad / 76-**

*«Demon: I*

*I am better than him! You created me from fire,*

*You created Adam from clay, he said. »)*

**His own ego, his mind and his knowledge**

**It is deified.**

**THE PERSON WHO IS LACKED IN THE ENDLESS SCIENCE OF GOD ENTER THE COMPANY. EVERYTHING OF GOD IS RIGHT.**

## ALLAH KNOWS EVERYTHING (EL-ALIMU)

Page 26

HOW THE QUR'AN , **written in the knowledge of Allah**

**that is a resource** and deny a verse ediline

it is not **believing** , if it is NOT Believing here

because it is stated that God is wrong

it is in question that he deified himself.

Here, if the devil obeys his nafs and opposes

So if there was a sin then regret must. **BUT SUMMER VISIT**

GAVE GOD FEELING  
FEATURE AND **ITS OWN  
MIND**

**AND** UPGRADE **YOUR**  
KNOWLEDGE, DIAGNOSIS  
HAS. THIS EVENT IS A  
BELIEF OF BELIEF.

Page 27

Because righteous who is  
aware of your mistake  
people apologize.

**(HAZ. ADEM (AS) WAS HIS  
WRONG,**

**He agrees that he is  
persecuting and**

**He has belief in Tawhid  
because he repents.**

**Error** ADOPTED.  
A LACK OF GOD'S  
SCIENCE  
VISUALLY was. Allah's  
**Tree**  
It accepts that **YOUR**  
**ORDER IS RIGHT**  
There is **NO COMPANY** for.  
There is Tawhid.)

But the devil said that what  
he did was a mistake  
he doesn't repent because he  
is not accepted,  
he is stubborn, his path is  
correct,

believing that he knows  
everything  
megalomanizes, deification.  
EXAMPLE, the chief god in  
Greek mythology  
revolting by stealing  
information from Zeus  
It acts like the god of  
prometheus.

**NOTE: THE WEST  
SOCIETY  
ATTENTION TO LIKE  
PROMETHEUS  
MUST NOT AVOID .**

Satan does not hold a match for God to create the universe, man, not arrogant. The things that He has grown up are different .

Satan's greatness,

**It is about**

**“INFORMATION” .**

This is because the demon is a very knowledgeable person.

was spoil. And that he knows as much as God,

**Allah says: "Respect**

**Adam! "**

**of your own opinion that**

**your order is wrong**

**arguing that true self**

**It is deified. It is not a simple**

Thus, the devil's  
characteristics are revealed.  
We are removing.

\* Power and authority **on**  
self- **knowledge**

seeing god

- Accept that the path he  
traveled is correct  
that the revolt by doing is  
not a mistake  
it does not claim and regret,  
**not to repent**

\* Because he didn't come back from his mistake  
**stubborn**

---

Page 31

\* Adam as a complex owner  
**being jealous**

\* He holds his own descendant (fire) superior, another **racist** for despising the lineages

\* Hostility to all people because of Adam

**blood claimant** for feeding

\* You will eventually die and punish

that Allah can afford everything. because of pride and **arrogance**

,

falling on the roads...
